A WORD TO PARENTS

KAMP KANAWANA, conducted by the Young Men's Christian Association, of Montreal, is a healthful, delightful and beneficial place to send your boy.

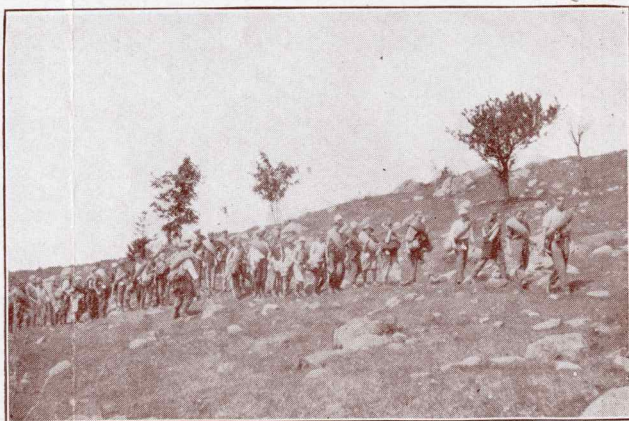

The Camp life near to nature, in "God's out-of-doors," induces clean thoughts and right living. The object of the Camp is not to pay dividends in money, but in the development of character. Hundreds of boys have already been made better in "body, mind and spirit," because they have responded to the call of the Camp.

Leadership has always been the most important consideration, only men of character, well qualified to work with boys, are selected. Camp is divided into units of about eight boys in a tent, in charge of a young man as tent leader. Tent leaders are older boys who have proven themselves capable as leaders of younger boys.

The Secretaries of any of the Branches will be glad to answer your enquiries by personal interview or by telephone.

A WORD TO THE CAMPERS

IT'S great to get away from the heat, noise and dust of the city, and live in a real boys' camp where you may dive, swim, canoe, row, fall in at the cook house door with a hearty appetite, go on hikes, play games, assist in the entertainments, gather around the Camp Fire, listen to the stories while the flames shoot into the night; and when the moonbeams

Off for a "Hike"

dance on the rippling water, and the familiar note of the bugle sounds "tattoo," you make your way to the tent with the other members of your happy family, and you crawl between your blankets and sleep the livelong night through. Believe me, it's a great life, and we want to have you with us. Be a Kanawanian this year.

LOCATION

Kanawana is five miles from Piedmont Station on the C.P.R. line to Ste. Agathe.

LEADERSHIP

Mr. G. D. Brandon, Community Secretary of the Y. M. C. A., will be Camp Director. He will be assisted by a splendid staff of experienced men.

Mr. H. H. Hart, of McGill, a 4th year medical man, will look after the health of the boys.

Mr. F. H. Spinney will again be Educational Director. Mr. Spinney has attended Camp in this capacity now for five years.

Mr. Harry Smith will be chef again this year. Harry has spent seventeen summers as chef for boys' camps and he begins his ninth year at Kanawana this season.

EQUIPMENT A large new dining hall, canoes and boats, and wireless equipment. We have tents provided with high, dry wooden floors, flotilla of boats and canoes, including a fenced-in pool for teaching non-swimmers. Our drinking water is secured from a mountain spring. The pavilion takes care of the Campers in wet weather and provides accommodation for amateur evenings and entertainments.

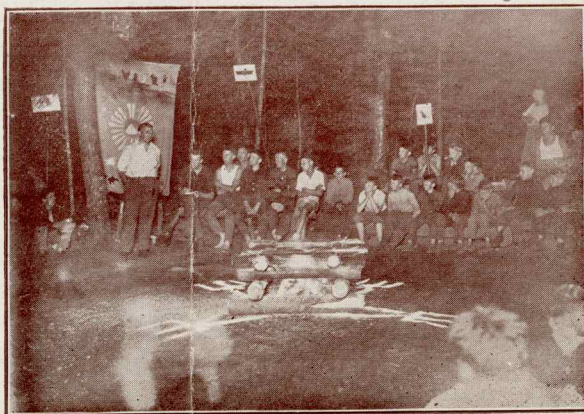

PROGRAM Every day is full of clean, wholesome fun. Baseball, swimming, boating, field sports, cross-country runs, hikes, Bible study, camp fire stunts and Sunday services all have their place. The instructional program includes nature study, athletics, camp craft, first aid, life-saving, swimming, rowing, public health, basketry, signalling—thirty-two subjects in all. Special speakers and illustrated lectures are frequently arranged for.
